# Putt for Passion Golf Tournament

Athletes for Hope is excited to announce our first annual golf tournament, an afternoon to celebrate, recognize and appreciate the power of the athletic spirit in making the world a better place. We invite you to join us to support our organization's efforts to educate, inspire and connect athletes to underserved communities throughout the U.S. and beyond. Proceeds from our tournament will support two of AFH's key programs – AFH University, which educates and connects college athletes to volunteer opportunities with underserved schools and community organizations, and the Whole Being Athlete Program, which focuses on changing the public stigma around mental health by sharing athlete stories, creating educational content for underserved youth, and advocating for specific initiatives around mental health.
